**BIPOC Communities and Mental Health Panel Recording**
Panel recording from this past Monday on mental health and identity. The panelist shared some really good insights that I think students can benefit from as the semester comes to a close.

FALL 2021 ASUWC VOLUNTEER APPLICATION NOW OPEN

- Act as the friendly, welcoming face in the center
- Help answer any questions regarding the center, events, or campus resources
- Plan, Attend, & Help Out at on campus and off campus events
- Be proactive
- If something is said in the center that is not ok (IE offensive) make sure to let them know that the WC is a safe space and that kind of behavior is never tolerated/allowed
- Be knowledgeable of resources available for students from both on and off-campus organizations
- Be able to attend desk shifts (as well as be on time)
- Be able to acknowledge your limits and ask for help from other volunteers/your GA if you need to
- Help to create informational posters/online messages for events and resources
- Be able to attend weekly meetings for updates on upcoming events/activities
