Welcome to the final week of classes for Spring 2021!!!

Once the University is on break, so are our AUSWC Graduate Assistant and Volunteers. However, we will ensure to respond to any inquiries as soon as possible upon returning to the Center later this year! We apologize for any inconvenience this may cause, and we hope you will subscribe to our weekly newsletter email, visit our website, and/or check out our social media for further information, updates, and resources during/throughout our temporary absence!
We appreciate your patience and understanding, and we look forward to seeing and speaking with you soon!

**CLOSED EVENT**

**OPEN TO “THE PUBLIC”**

APRIL IS SEXUAL ASSAULT AWARENESS MONTH

FALL 2021 VOLUNTEER APPLICATION NOW OPEN

LAST WEEK TO APPLY FOR FALL 2021

Why Should I Volunteer?
Volunteering with the Women's Center is fun, productive, and educational. People who volunteer with us form new friendships, develop as leaders and members of society, and participate in meaningful events and programs that educate others about the importance of women's issues. Plus, volunteering of any kind is a great resume-builder!

**Who Can Volunteer?**

Contrary to popular belief, the Women's Center isn't just for women! We welcome and accept volunteers from all genders, ethnicities, and backgrounds. The only requirement is that our volunteers be attending Appalachian State University.

**How Can I Volunteer?**

Volunteers are committed "desk shift" members of our Center -aka those who sit at our front desk (PSU 110) for at least two hours per week per semester to serve as the "face" of our Center. They greet and provide resources to people who walk in the Center, log visitors in AppSync, and help with miscellaneous projects for events or programs. All Volunteers must complete Desk Shift **AND** TriCenter Training, which is offered at the beginning of every semester. This training includes information on how to deal with on-campus emergencies and peer counseling. ASUWC Volunteers will also have top priority in being trained as "BodyPositive AppState" peer facilitators *if they wish to participate in BodyPositiveAppState.*
